

Oak Bay Kiwanis Pavilion

FOUNDATION

Care With Compassion

November, 2019

Dear Friends, Family and Supporters:

Each year the **Kiwanis Pavilion Foundation** reaches out to you to ask you to assist us in our continual efforts to maintain the quality of life for our loved ones here at the Pavilion. This year is no different.

We have been blessed this year with a number of substantial donations which have allowed us to grow our music programs to the delight of our residents and because of these donations we are currently able to move ahead to improve one or two of our bathing rooms now, rather than waiting for more extensive work to be done to the building itself.

As in the past, the Board has taken on many fundraising projects during 2019. Each time we undertake a fundraiser we are adding to the comfort and well-being of our residents.

This year many things have happened around the world and locally, causing us to pause and be thankful for what we have and for the lives that depend upon us. It is with this thought that I ask you when doing your Christmas Giving that you consider a donation however small or large to the Kiwanis Pavilion Foundation.

With sincere wishes for a safe and Happy Christmas,

Leslie Johnston
